Tech Cares Award 2023
Etech Global Services

—“—

Etech Global Services has earned a 2023 Tech Cares award for their outstanding commitment to corporate social responsibility. Their unwavering support for in-office and remote employees, comprehensive employee assistance programs, and dedication to employee growth through education and tuition reimbursement exemplify their genuine care for their workforce. Furthermore, Etech's commitment to volunteerism, community partnerships, and recognizing employee efforts showcase their dedication to making a meaningful impact on both their employees and communities.
