

VOLUNTEER SPOTLIGHT

LAMARCUS WALLACE

LaMarcus is an East Texas Native, born in Lufkin and raised in the surrounding area. He graduated from San Augustine High School and then went on to attend Stephen F. Austin State University where he pursued his degree in Interdisciplinary Studies. LaMarcus is the Assistant Director of Recruitment for Etech where he oversees the recruitment efforts for all the contact centers in the United States as well as Montego Bay, Jamaica. LaMarcus has been with Etech for a combined four plus years. He loves living, working, and volunteering in Angelina County and feels compelled to help make a difference where he is.

When we asked him why he volunteers he said, "There is no greater feeling than serving others who cannot immediately serve themselves." LaMarcus truly believes we can never give enough of ourselves when it comes to community involvement and efforts, and this is why he works tirelessly to make a difference

throughout the communities of East Texas. Being a part of the Etech family allows LaMarcus the opportunity to make a remarkable difference in the lives of so many in the community. "It is such a blessing to be a part of a company who not only recognizes the need to give back, but also supports their leaders to consistently make a difference."

LaMarcus serves as a Diplomat with the Lufkin/Angelina Chamber of Commerce and partners with Angelina Beautiful Clean for community clean up events. He is always quick to step up and be willing to help with anything needed, whether it's setting up tables and chairs for an event or staying after to help clean up. He is also involved with the Nacogdoches Chamber of Commerce and serves on the Chairman's Circle Committee. LaMarcus is very involved in his church home, Roberts Baptist Church in San Augustine where he has served as the Minister of Music for 25 years. His love of ministry and God is the foundation of his Community involvement. Volunteering is in his blood, and he definitely has no plans to slow down anytime soon. This year LaMarcus looks forward to joining the Lion's Club of Lufkin, partnering with IMPACT LUFKIN for future volunteer events, and volunteering with the Solid Foundation of Nacogdoches as a mentor and tutor. Thank you, LaMarcus for setting an example and serving your city well. We appreciate all you do to make a Lufkin a better place to live, work, and play.
